Blue Chip Corporate Charters 73' high powered luxury motor launch Nirvana, is now under the new management of Decked Out Yachting Ltd. Manager, Sabina Robovich says that Decked Out Yachting is very much a family-run business, with her mum, Jennie managing the company's Marketing and Sales while partner Dave Mead is the boat's Captain. "Being a family run business means that the management, and ultimately the service, is very united, focused and customer-driven" says Sabina.

Exceptional customer service truly is the driving force of Corporate Charters, and it's very evident as soon as you step on board. Designed for entertaining up to 40 guests, the yacht has a luxurious master stateroom, a double VIP cabin and two twin cabins, each with Sky TV and spacious en-suites. Guests enjoy a cruising experience like never before with luxuries such as a Bose home theatre system which is accessible throughout the entire boat, air conditioning and plasma screens. And for those who want to bring their laptops along for the ride, there's also internet access available. Nirvana has recently undergone a fit-out including new carpet throughout, a refurbished galley, new decks all round and the upper deck can now be fully enclosed.

Sabina's extensive experience includes 10 years as a Chief Stewardess on large launches including the 172' MV Tigre D'Or and a background in Five Star Silver Service. Dave has also worked on board MV Tigre D'Or and has many years of cruising experience both within New Zealand and around the world. Their combined international experience on board large luxury boats has created a solid foundation on which they have built their excellent reputation for providing the ultimate boating experience, not only for corporate customers, but also for family events, weddings and other special events.

Silver Service dining is one of the team's specialties and nothing is overlooked, from the exquisite five-course meal with full table settings, to relaxing on luxurious bean-bags on the bow with cognac and cigars, hot cloths infused with essential oils and service fit for royalty.
